

PREPARE YOURSELVES. IT'S COMING.

MICHAEL R. BURLINGHAM MEMORIAL

SIX DAYS OF MICHIGAN

THE ULTIMATE TRAIL RIDE!

Make the 41st Annual Michael R. Burlingham Memorial Six Days of Michigan the highlight of your 2025 riding season! Six Days is the most fun you can have on a motorcycle! It's a solid week of single track, two tracks and Dual Sport routes on the largest network of permanently marked, regularly maintained off-road riding trails in the world - and that's just the beginning. Imagine a week long, festive occasion where new friends meet and old friends reconnect. It's a brotherhood of souls brought together by a shared passion for off-road motorcycles!

The 2025 Six Days will be **staged from two locations** - the first half in the Upper Peninsula and the second half in the Lower Peninsula featuring the best off-road riding opportunities in North America! The **Marquette County Fairgrounds** will host the first half of the event while the second half will stage from the **Kalkaska Log Lake Campground** in the Lower Peninsula.

For the 2025 Six Days event, there are **no advance camping registrations needed** for either venue, as the club will be handling camping arrangements in both locations. Final plans are coming together now so please **watch the**

Six Days of Michigan tab on our club's website, the CCC facebook page and of course your Great Lakes TrailRider Magazine for more camping details and event information in the near term.

In keeping with SDM tradition, we'll have a special treat for you during the 2025 event - something you'll be talking about for years to come!

No excuses. We want to see you in the woods. Put in for the time off, gather your buddies and make the drive up to Northern Michigan to join us for the 2025 Michael R. Burlingham Memorial Six Days of Michigan! Thousands of past Six Days of Michigan participants don't call it "The Ultimate Trail Ride" for nothing! ■
