

## ***The Cycle Conservation Club of Michigan - Pit Riding Policy***

*Pit riding is prohibited at all Cycle Conservation Club of Michigan events. The exception is riding your vehicle to and from tech inspection prior to sign-up at the start of a Trail Tour, and leaving or returning to camp. A 5 mph speed limit applies. Helmets and eye protection are required by State law at all times while underway in camp or while riding on State, Federal or private property.*

## ***Vehicle Types Allowed in Camp - Effective May 1, 2025***

*Consistent with AMA District -14 and Other Districts Around the Country*
